- ✓ Facsimile
- ✓ Scanner

Put productivity on display

You face difficult choices every day. Fortunately, they're a lot easier to make when you have the right information. Choose the LANIER[™] MP 4055/MP 5055/MP 6055 to print, copy, scan and fax important notes, brochures, invoices, contracts and other documents quickly and economically. With the advanced 10.1"-wide Super VGA Smart Operation Panel, you can pinch, swipe and scroll like you do on your smartphone or tablet to check and adjust settings, automate tasks and distribute information with speed and precision. Select from multiple finishing options to add a professional touch to documents while eliminating outsourced printing costs. Set shortcuts to expedite everyday jobs. Print and distribute files while on the move using your personal mobile device. Help keep your best ideas safe with user authentication and other security capabilities. Plus, the versatile all-in-one MFP is designed specifically to use less energy, which helps reduce costs.

- Print up to 60 black-and-white prints/copies per minute
- Use the Smart Operation Panel to copy, print, scan and fax quickly
- Create automated workflows and shortcuts to simplify everyday tasks
- Expedite sorting, stapling, folding and hole punching via a wide range of finishing options
- Share information from your smartphone or tablet using the MFP

Create an easier way to work

Simplify tasks with customization and automation

Deliver on good information

Your best ideas can come at any time. Shouldn't you be able to share them the same way? Print up to 60 black-and-white pages per minute (ppm) to get the word out quickly. Use the standard Single Pass Document Feeder (SPDF) to transform one- or two-sided originals into digital files and distribute them via Scan-to options, including Scan-to-Email, FTP, PDF, URL and more. Store up to 3,000 frequently used forms on the embedded Document Server to keep the latest versions readily accessible. Add optional Optical Character Recognition (OCR) scanning to create searchable PDF files, so you can easily do a simple keyword search. An optional fax module lets you choose either Internet Faxing or LAN faxing over IP via optional Super G3 faxing to send digital files directly to your email inbox and reduce paper, transmission delays and multiple trips to the MFP.

Carry a lighter workload

When you stop, work stops. Use the MP 4055/MP 5055/MP 6055 to add workplace freedom without compromising productivity. Simply download the Smart Device Connector app on your Android® or iOS® devices to share information and print without printer setup configurations or utilities. Connect your Android and iOS devices with the MFP via Bluetooth (BLE), or Android devices using the Near Field Communication (NFC) tag. Grab information directly from cloud storage applications, such as Google Drive®, Box® or Dropbox® and print it using the Smart Device Connector app. Plus, you can now print emails and attachments with the latest version (v3.0) of the app. Scan originals at the MFP and send them to your personal device or directly to cloud storage, so you can access or distribute them digitally at your convenience. Printing from AirPrint® is also available.

Discover more ways to impress

Your audience knows a good idea when they see it. Use the MP 4055/ MP 5055/MP 6055 to ensure they get a clearer look. Whether you're in a PC, Mac or Linux, you can produce crisp images with smooth gradations and precise text at up to 1200 dpi resolution. Print brochures, direct mail, presentations and more on a wide range of media — including envelopes, 11" x 17" sizes and thicker stocks up to 300 g/m² — to keep any audience's attention. You can even create an easy-to-see poster from one of your current documents. Choose between the icon-driven drivers to easily make subtle image changes prior to printing. For customers that require more complex work flows, these new devices now include standard PostScript to help improve productivity. With the 1.46 GHz Intel® controller, you can perform any task quickly and handle multiple jobs simultaneously. Plus, you can add optional paper trays to expand paper capacity to 4,700 sheets and output job after job on various paper types and sizes.

Press ahead with customized convenience

Tap into critical information

Use the large intuitive Smart Operation Panel to find important information and toggle between jobs and tasks quickly and conveniently with a single pinch, swipe or scroll. Designed with Workstyle Innovation Technology, the touchscreen offers multiple all-digital user interfaces that display critical information in a grid-like layout via easily identifiable icons. You can customize the look and layout and choose what's on display. Simply tap on any icon to access data, change settings, perform tasks and more. You can also find information online with the embedded web browser. Print web pages, images and documents as PDFs at any time.

Create shortcuts to productivity

You know what you have to do. Now, you know how to do it faster. Customize your own automated workflows on the Smart Operation Panel and reduce repetitive manual steps that can impede the flow of information. Download easy-to-use workflow apps from our Application Site to add specific features or single-function capabilities to simplify how you perform everyday tasks. For example, you can download the Conference Concierge app for step-by-step instructions on how to create supporting materials in the right format for your next big event. Download the ID Card Scan & Copy app to scan two-sided originals onto one side of a sheet of paper. You can even download the How-to Videos app for quick, convenient tutorials to expedite troubleshooting and customization tasks.

Add software solutions to reduce your workload

There's always a way to get things done. More importantly, with the MP 4055/MP 5055/MP 6055, there's always an easier way. Add solutions to simplify complex workflows and automate many of your repetitive everyday tasks. With GlobalScan™ NX, you can digitize hardcopy originals and distribute them anywhere almost instantly with minimal effort. Use Streamline NX® for document creation, storage, retrieval, distribution, card authentication and more. Add Device Manager NX Accounting and issue chargebacks for individuals and workgroups with incredible speed and accuracy.

Perform every task with everyday consistency

Be secure with your message

Reduce risks with a wide range of security controls. Track users and their activity with User Authentication. Have every person enter a passcode or swipe an ID card by the optional NFC or HID card readers to access the device. Set print quotas for individuals or workgroups to minimize unnecessary printing. With Locked Print, jobs are held until the authorized user releases them, so sensitive information isn't left unattended for passersby. The hard disk drive includes powerful encryption protection, so you can share files with confidence, and a DataOverwriteSecurity System (DOSS) overwrites latent images on the hard drive.

Help reduce environmental impact

The MP 4055/MP 5055/MP 6055 is easy on your workload — and your budget. Take advantage of its many eco-friendly features. The MFP is ENERGY STAR® certified and meets EPEAT® Gold criteria*. We left some of the energy-saving options up to you. For example, you can schedule the MFP to power down when the office is empty and keep duplex printing as the default to reduce paper costs.

*EPEAT Gold rating is applicable only in the USA.

Perform administrative tasks with ease

Improve productivity throughout your fleet with multiple remote administrative tools. Add Device Manager NX to configure devices, add updates, monitor usage and more from a web browser. Install print drivers remotely with Device Software Manager. For meter reads and performance reports, use @Remote to collect data automatically. You'll know immediately when service is required via automated service alerts sent directly to your email inbox. Plus, our trained technicians are ready to help at any time.

Bring many enhancements to any environment

- 1 Full-Color 10.1"-Wide Super VGA Smart Operation Panel: With the same pinch-and-flick and swipe scrolling gestures you use on your smartphone and tablet, you can access information, check settings and perform tasks quickly and effortlessly.
- 2 Single Pass Document Feeder: Load up to 220 single-sided or double-sided color or black-and-white originals in the Single Pass Document Feeder (SPDF) for fast and easy scanning, copying and faxing.
- Standard Paper Trays: Take advantage of two 550-Sheet Paper Trays and the 100-Sheet Bypass Tray to store up to 1,200 sheets of paper, including 11" x 17" stocks.
- 4 Additional Paper Storage (Optional): Expand capacity up to 4,700 sheets with a 2,000-Sheet Tandem Large Capacity Tray and 1,500-Sheet Side Large Capacity Tray. You can also choose a 1 x 550-Sheet Paper Tray or 2 x 550-Sheet Paper Tray to encourage on-demand printing.

- Document Retrieval: Retrieve output easily even in larger offices with multiple users — via the optional 125-Sheet 1-Bin Tray and the 250-Sheet Internal Shift-Sort Tray.
- Document Finishing: Create your own production solution by choosing from multiple optional finishers. Choose a 500-Sheet Stapler Finisher to save floor space or opt for the external 3,000-Sheet Stapler Finisher to add a professional touch to larger jobs. Take your pick between 1,000-Sheet and 2,000-Sheet Booklet Finishers. Plus, you can opt for the 1,000-Sheet Hybrid Staple + Stapleless Finisher. Use it to toggle between stapled or stapleless finishing automatically depending on the number of pages you print. Stapleless finishing is ideal for schools, hospitals and public offices where recycling and safety are especially important.
- **Document Folding (not shown):** Use the optional Internal Multi-Fold Unit to automate different types of paper folds, including tri-, Z- and half-folding, and produce more types of professional output in-house.

Be professional to the finish

Choose from a wide range of optional, easy-to-use finishers to enhance presentations, handouts, manuals and more to engage customers and coworkers. Each finisher helps automate tedious manual and repetitive tasks so you can move on to the next idea and the next opportunity quickly.
