**e-STUDIO2803AM**

## Product brochure

---

- > Two modern A3 systems which cover the basic needs of modern businesses.
- > Based on sophisticated technology the e-STUDIO2303AM/2803AM easily integrate into networks and are intuitive to use.
- > Designed to meet the highest environmental standards, both models help save valuable resources.

## KEY FEATURES

- 1 Compact A3 systems with print, colour scan and copy function to cover the most relevant requirements.
- 2 Easy to integrate and operate for utmost efficiency.
- 3 Excellent image quality for documents which impress.
- 4 Energy save modes for optimised usage and intelligent resource management.

Reliable top-performance for enhanced productivity.

## BENEFITS

With an output speed of 23 and 28 pages per minute the e-STUDIO2303AM/2803AM can easily keep up with the needs of today's businesses. Their outstanding image quality will give your documents a professional look and leave a lasting impression with your business partners.

### Uncompromised ease-of-use

For you to benefit from the sophisticated technology the systems are based on, we have ensured they are easy and intuitive to use.

- > Easy integration into existing networks
  - With the optional e-BRIDGE Fleet Management System not only the set-up of the models is easy, even the administration is intuitive and will save valuable time.
- > Intuitive usage of all functions
  - Complex as the functionality is, it is nevertheless easy to use. No matter whether you want to print, scan or copy - via the user interface all features are just a click away.

## CONFIGURATION

<sup>1)</sup> Standard for e-STUDIO2303AM/2803AM

# SPECIFICATIONS
