SKU/Part Number: e-Studio3555c

The e-STUDIO3555c is a high quality colour multi-function device designed for businesses that have a demanding need for colour. One of the most powerful and unique features of the e-STUDIO3555c is the ability to program any of its functions to a single button. Whether copying, scanning, faxing or filing, a user can easily access any of these functions by simply selecting a single button. Operating at 35 pages per minute in black and white and 35 pages per minute in colour, this colour device offers high speed stunning colour quality output for businesses that still have a demanding need for black and white.
